born corn core more roar soar her dirt learn sure

Spelling List for test on Friday, April 20:
cow town mouse how out mouth born roar nothing early

Spelling List for test on Friday, April 27:
spoil coin join joy toy boy town mouse build fall

In religion we are learning about the Holy Spirit a few of the great saints.

In English we have added conjunctions! You see what we are doing when you peruse the children's papers.

Currently, we are learning about the solar system. Then we will rock out the year with a fun unit on rocks and minerals.

In reading, we are working on a character's point of view, sequencing events, and retell. You may have heard your child mention two of our favorite story characters, Frog and Toad. Please keep the afternoon of April 27 open as we will host, "An Afternoon with Frog and Toad." More details later!

Adding three numbers, subtraction facts, counting coins, and fact families are math activities that keep us busy.

We serve the Mass duties on April 26.

There is an All-School Sing this Saturday evening, March 24. I regret I will not be able to attend, but I hope you and yours will make the effort to be there.

There will be no newsletter from me next week. The most important news I believe you look for is the spelling lists. I've included several lists in this newsletter so that you have them in advance.

May God bless us this Easter! Have a lovely spring break!
