SPOTLIGHT ON OUR STUDIES

- ❖ We learned ways to listen to Jesus.
- ❖ We learned to compare set of objects, weigh objects with nonstandard units (teddy bears), and to compare two numbers to see which is more and which is less.
- ❖ We are working on measuring the height of a classmate using popcubes.
- ❖ We practiced writing the numbers 0-10.
- ❖ We went to the radio station to record the Pledge of Allegiance. It will be played each morning during Catholic Schools Week between 6:45 and 7:00 am.

Hat's Off To ...

**Happy unBirthday,
Knox!!!
(his real birthday is
June 18th)**

&

**the children did an
awesome job at Mass
and a fabulous job
recording the Pledge of
Allegiance!! They only
needed one take!**

Help Wanted

We are learning about arctic animals and their habitats. Your child may bring in any stuffed or plastic arctic/polar animals that they have. **So that I can return them, please put your child's name on a piece of tape on the bottom of each animal.**

Don't Forget

The 100th Day of School is Thursday, January 25. Please have your child bring his/her 100 collection and snack to school by Wednesday, January 24.

Upcoming Events
