## SPOTLIGHT ON OUR STUDIES

- ❖ We finished our book about things that we wished we had 100 of and didn't have 100 of.
- ❖ Miss Katie taught us about proteins when she came in on Monday. We sampled sunflower seeds, hummus, and black bean salsa.
- ❖ We learned about recycling from Mrs. LeVault and her puppy puppet, Coco.
- ❖ Ask your child to tell you what "Let the Spirit Move You" means.
- ❖ We had lots of fun bowling and swimming!
- ❖ Pajama/Movie Day was awesome!!
- ❖ We loved having our grandparents with us at mass and showing them around our room at school!
