Spotlight on Our Studies

- In math, we played the card game War.
- We practice writing the uppercase letters I, L, T, and J.
- Mr. X came to Letter People Land. He gets his sound from being all mixed up.
- We made leprechauns and used quarters and dimes to make the eyes.
- In religion, we learned about St. Patrick and that he used a shamrock to help people understand the Holy Trinity (there are three persons in one God; the Father, Son, and Holy Spirit).
- We followed a trail of gold pieces and found a pot of gold filled with gold coins and chocolate coins!
- Nitro Joe and Science Day were a hit!!
