SPOTLIGHT ON OUR STUDIES

- We learned more about the children who live in other countries and what we can do to be missionaries.
- We practiced making lowercase "s".
- We met Miss I, who gets her sound from her itchy itch and Miss O, who gets her sound from being obstinate (we learned that means stubborn and bossy).
- In math, we learned to put the numbers 0-10 in order and played Bingo.
- We ordered pumpkins according to their size.

***Please remember to put any money sent into school into a bag or envelope with your child's name on it and what it is for.
