## SPOTLIGHT ON OUR STUDIES

- ❑ We began working on our Creation books.
- ❑ We practiced writing the letters l, t, and k.
- ❑ We worked on time to the hour, ordinal position, and writing money amounts from 1 cent to 10 cents.
- ❑ The Letter Boys put their sounds together to make “squoshes” (blends), such as st, bl, gr.
- ❑ We practiced making Native American symbols. We used these symbols on our tepees and also made Native American headbands for our feast.
