

Second Grade Happenings May 2018

Year End Wrap Up

Second Graders have many things going on now until the end of the school year. Here are some highlights. Please watch for other information in Mrs. Robertson's weekly newsletter.

First Communion

Don't forget that there will be a mandatory practice on Saturday, May 5 at 9:30. Please make sure that an adult accompanies the First Communicant at that practice. The second graders will, then, celebrate their First Holy Communion on Sunday, May 6 at 2:00.

Virtuse Class

I will be teaching the second graders the Virtuse (Touching Safety) lessons on Monday, May 14. We have the permission slips on file that you signed at the beginning of the school year. If you opted out of this program, then I will send your child to wait in the office while I teach the lessons to the rest of the class.

Florinda's Night

Our next Florinda's night is Wednesday, May 2. Just mention that you are from St. Mary's and she will donate a percentage to our school. Florinda will continue to support us on every first Wednesday throughout the summer.

Mother's Day Mass

We invite all of our mothers to join us at the annual Mother's Day Mass that will be held on Thursday, May 10th. It is always such a delight to see the kids with their moms. If for some reason you are not able to attend, please try to find someone to represent you. Dads, grandmas, or another significant person is always acceptable.

Sixth Grade Field Trip Fund Raisers

We still have two of the five activities left to do for this. We will have Team Shirt Day on May 1 and Saint Jar Raffles on May 8. Thank you to those of you that have already sent in your \$5. If you have not, you can still send in a \$1 for each activity that you want to do.

Relay for Life

Some of St. Mary's Staff will once again participate in the Relay for Life Cancer Walk in June. We will be having a Raffle in May. Chances will be 50 cents apiece. Please watch Mrs. Robertson's newsletters for the exact dates. As team captain, I would like to thank all of you who have already supported us through the various bake sales and raffles this year. Your donations are greatly appreciated in the fight against this deadly disease. If any of you have ever thought about being on a Relay team, let me know. We are always looking for new members!

Scrip

Our last Scrip order will be Tuesday, May 8. Be thinking about your summer plans and order from places that you will be visiting anyway. The school makes a percentage off of every dollar that you are going to spend any way.
