Other Information

The faculty Relay for Life team is having a raffle that will end on Tuesday. Each ticket costs 50 cents.

Lots of kids are getting IOUs at this point in the year. I encourage you to buy a new ticket if your child is returning next year to St. Mary's. The ticket will go with them to 4th grade. That's a lot easier than dealing with paying IOUs at the last minute!

Thanks to the families who provided goodies and gifts for Teacher Appreciation Week. I enjoyed everything!
