

Classroom Times

Our Studies

Religion - Our class did an awesome job leading the Ash Wednesday Mass.

Reading - We are still working with the story, "The Talented Clementine."

Math - We will be working with bar graphs and area next week. Please continue to work on multiplication facts at home-0's, 1's, 2's, 5's, and 10's.

English - We will have our test covering Ch. 9 on Tuesday and Wednesday of next week. Many students are struggling with identifying helping verbs and prepositional phrases. Please consider spending time reviewing the jingles.

Spelling City - No activities or test next week.

Other Information

Please keep in mind our standardized testing will be given the week of March 5. I kindly ask that if you must schedule appointments during this time, you schedule those for an afternoon rather than a morning. We will also be doing some practice testing the week prior to that. It's extremely important that your child is present for these practice tests. As always, being on time and having breakfast before arriving at school is a must.

Thanks to all families who donated to our Veterans Collection. We had 11 students who donated. Our collection ended today.

Our class can use donations of boxes of tissues. I've begged a couple boxes off fellow teachers. With all of the sickness in our room, our 27 boxes from the start of the year are nearly gone. :(
