

# Classroom Times

## Our Studies

**Religion** - Our class will lead the Toy Collection Mass on Thursday. Please join us. We'd like every child to have something to carry up during the collection, so please donate if you are able.

**Reading** - We are still working with our story, "Earth."

**Math** - Next week, we will be working more with fractions.

**English** - We will be learning about fiction and nonfiction books next week.

**Spelling City** - There will be no Spelling City activities for next week.

## Other Info.

Please remember that students should arrive no earlier than 6:30 on Wednesday night before the program. The clothing each child is to wear is a western/plaid style shirt, jeans, and tennis shoes. If you are not picking up your child and sending another person in your place, please send me a note telling me who has permission to pick them up.

Today is a holy day of obligation-the Feast of the Immaculate Conception. Students went to Mass this morning.
